

ANTOINETTE M.G.A. WINKLERPRINS

Deputy Division Director
 Division of Behavioral and Cognitive Sciences
 Directorate for Social, Behavioral, and Economic Sciences
 National Science Foundation
 Alexandria, VA 22314, USA
anwinkle@nsf.gov
<http://antoinette.winklerprins.us/>
 Orchid ID 0000-0003-1076-9019

Education:

Post-Doctoral Fellow, 1999-2000. Department of Soil Science, ITC - Faculty of Geo-Information Science and Earth Observation (now part of the University of Twente), Enschede, The Netherlands.

Ph.D. 1999. Department of Geography, University of Wisconsin-Madison. Minor: Soil Science. Karl S. Zimmerer, advisor. Dissertation title: *Between the Floods: Soils and Agriculture on the Lower Amazon Floodplain, Brazil*.

M.U.P. 1985. College of Architecture and Urban Planning, University of Michigan. Emphasis on International Planning/Development.

B.A. 1983. University of Michigan. Major: Urban Geography.

Academic Employment:

Deputy Division Director, Division for Behavioral and Cognitive Sciences, Directorate for Social, Behavioral, and Economic Sciences, National Science Foundation, 2019-present. Select agency-wide service beyond core duties: co-chair of the Renewing NSF Streamlining, Standardizing, and Simplifying Processes and Practices (S3) Post Merit Review Working Group, co-chair of Climate Change Coordinating Committee (C4) Steering Committee; co-chair of the Deputy Division Director's Monthly Forum; Directorate representative on the Advisory Committee on Environmental Research and Education Working Group (AC-ERE); Select Strategic Reviews; member of the Decision-Tool Working Group.

Program Director (permanent), Geography and Spatial Sciences (GSS), Dynamics of Integrated Socio-Environmental Systems (DISES), Navigating the New Arctic (NNA), Sustainable Regional Systems (SRS), and Coastlines and People (CoPe) Programs, Behavioral and Cognitive Sciences Division, Directorate for Social, Behavioral, and Economic Sciences, National Science Foundation, 2016-2019.

Acting Deputy Division Director, Social and Economic Sciences Division, Directorate for Social, Behavioral, and Economic Sciences, National Science Foundation, October-December 2018.

Acting Deputy Division Director, Behavioral and Cognitive Sciences Division, Directorate for Social, Behavioral, and Economic Sciences, National Science Foundation, July-August 2017.

Adjunct Professor, Environmental Sciences and Policy Program, Advanced Academic Programs, Johns Hopkins University, July 2016-present.

Director for Environmental Programs, Advanced Academic Programs, Senior Lecturer, Department of Earth and Planetary Sciences, Johns Hopkins University, July 2013-2016.

Visiting Adjunct Associate Professor, Michigan State University, Department of Geography, July 2013-2016.

Program Director (rotator), Geography and Spatial Sciences Program, Behavioral and Cognitive Sciences Division, Directorate for Social, Behavioral, and Economic Sciences, National Science Foundation, 2010-2013. Included service to Science, Engineering and Education for Sustainability (SEES) working groups, especially Sustainable Energy Pathways (SEP).

Associate Professor, Michigan State University, Department of Geography, July 2006-2013. Core faculty in the Center for Latin American and Caribbean Studies, the Center for Advanced Study of International Development, GenCen, and the Environmental Science and Policy Program.

Graduate Program Coordinator, Michigan State University, Department of Geography, July 2005-2010.

Assistant Professor, Michigan State University, Department of Geography, August 2000-2006.

Lecturer, University of Wisconsin-Madison, Department of Geography, Spring 1995 and Fall 1997, Geography 120: Global Physical Environments.

Teaching Assistant, University of Wisconsin- Madison, Department of Geography, Fall 1992, Fall 1993, and Spring 1999. Geography 127: Physical Systems of the Environment and Geography 101: An Introduction to Human Geography. Also University of Wisconsin- Madison, Department of Soil Science, Fall 1994, Soil Science 325: Soil Morphology, Classification and Mapping.

Consultant, Projeto Várzea, Santarém, Pará, Brazil, July 1995-June 1996.

Research Assistant to Professor William Denevan, University of Wisconsin Madison, Department of Geography, 6/90-6/92. Also, University of Michigan, Department of Urban Planning, academic year 1984/1985.

Associate, Community Systems Foundation, Ann Arbor, MI, 1985-1986.

Teaching Fellow, University of Michigan, Program in Geography, Fall 1983, Geography 101: Introduction to Geography.

Awards

Honorary Speaker, Dr. C. Kimber Professor Emerita Lecture Series, Department of Geography, Texas A&M University, April 2009.

Teacher-Scholar Award, Michigan State University, 2005.

Honorable Mention, Fully Online Course (Geo 204V), SBC Faculty-Staff Instructional Technology Award Competition, 2005 (with B. Weisenborn, R. Groop, A. Arbogast, and J. Yang).

Lilly Teaching Fellowship, Michigan State University, 2002-2003.

Outstanding Faculty Award, Center for Latin American and Caribbean Studies, Michigan State University, Spring 2001.

Funded Grant Activity:

WinklerPrins, A.M.G.A., G. Bocco (UNAM, Mexico), I. Espejel (UABC, Mexico), and P. Alvarez Morales (UABC, Mexico), **National Geographic Society**, Research and Exploration Grant, 8/2012-8/2015, *Cultural Landscapes of Coastal Baja California Sur: Stability Amidst Change*, \$19,500.

WinklerPrins, A.M.G.A. and C. Gallaher, **National Science Foundation**, Geography and Spatial Sciences Doctoral Dissertation Research Improvement Grant, Doctoral Dissertation Research: *Livelihoods and environmental risk: Urban agriculture in Kibera Slum of Nairobi, Kenya*, 2/10, \$11,800. [Note: while at NSF PI on this is C. Yansa.]

WinklerPrins, A.M.G.A. **Michigan State University**, Center for Advanced Study of International Development (CASID), International Development Grant, *Landscapes of those left behind: Livelihood and landscape change in Michoacán, Mexico*. 5/09, \$2,950.

WinklerPrins, A.M.G.A. **Michigan State University**, Center for Advanced Study of International Development (CASID), International Development Research Initiation Grant, *Landscapes of those left behind: Livelihood and landscape change in Michoacán, Mexico*. 3/09, \$1,500.

WinklerPrins, A.M.G.A. **National Science Foundation**, Geography and Regional Science Research Grant, *Creating soil: A pilot study of Amazonian Dark Earth (ADE) formation in Amazonian homegardens*. Award no. 0552834, 2006-2009, \$51,349.

WinklerPrins, A.M.G.A. and B. Butt, **National Science Foundation**, Geography and Regional Science DDRI, *Grazing on the Edge: Socio-Political and Ecological Complexity of Pastoral Herding Strategies around the Maasai Mara National Reserve, Kenya*, Award No. 0525592, August 2005-August 2006, \$11,975.

WinklerPrins, A.M.G.A. **CASID/WID (MSU)**, funds to prepare a new course (Geo 492-006 – Geography of Brazil and the Amazon Region) and a new Study Abroad (Environment and Development in the Brazilian Amazon), July 2005, 1 month summer salary plus \$1,000 for an hourly assistant.

WinklerPrins, A.M.G.A. **American Philosophical Society**, Franklin Research Grants Program, *Agricultural development along the Amazon River floodplain: A ten-year retrospective*, July – December 2005, \$4,000.

WinklerPrins, A.M.G.A. S. Snapp (MSU-Horticulture), W. Derman (MSU-Anthropology), and A. Ferguson (MSU-Anthropology), **Global Area Thematic Initiative Grant Program, CASID-MSU (U.S. Department of Education)**, August 2005-August 2006, \$16,657.

WinklerPrins, A.M.G.A. **Michigan State University**, Intramural Research Grant (IRGP), December 2001-August 2003, *Urban House-lot Gardens in Amazonia*, \$29,413.

WinklerPrins, A.M.G.A. **Michigan State University**, Center for Advanced Study of International Development (CASID), International Development Research Initiation Grant, Spring 2001, *Linking rural to urban: Homegardens in Santarém, Pará, Brazil*. \$1,500.

WinklerPrins, A.M.G.A. **Michigan State University**, Center for Advanced Study of International Development (CASID), course re-development funds to redo Geo 454 Geography of Environment and Development. Summer 2001, one month summer salary.

WinklerPrins, A.M.G.A. **American Association of University Women** Dissertation Fellowship, academic year 1997-1998, \$14,000.

WinklerPrins, A.M.G.A. **Association of American Geographers** Dissertation Research Grant, Spring 1997, \$500.

Zimmerer, K.S. and A.M.G.A. WinklerPrins, **National Science Foundation**, Geography and Regional Science Division, Doctoral Dissertation Research Improvement Award No. 9508193, 1995, \$8,800.

WinklerPrins, A.M.G.A., **University of Wisconsin-Madison**: Dept. of Geography, Whitbeck Research Award, Spring 1993, Spring 1994; Dept. of Geography, Sterling Fund Travel Grant, Spring 1994; Foreign Language Area Studies Fellowship (Portuguese), academic year 1991/1992; Latin American and Iberian Studies Program, Short-Term Field Research Grant, 1991.

Proceedings

- WinklerPrins, A.M.G.A. and N. Falcão. 2010. Soil Fertility Management and its Contribution to the Formation of Amazonian Dark Earth in Urban Homegardens, Santarém, Pará, Brazil. *Transactions, Nineteenth World Congress of Soil Science*, Brisbane, Australia.
- WinklerPrins, A.M.G.A. 2006. Creating Terra Preta in Homegardens?; A Preliminary Assessment. *Transactions, Eighteenth World Congress of Soil Science*, Philadelphia, PA, USA.
- WinklerPrins, A.M.G.A. 2002. A History of Perceiving the Soil in the Amazon Basin. *Transactions, Seventeenth World Congress of Soil Science*, I. Kheoruenromne, ed. pp. 322/1-332/8 (Paper #332, Symp. #31). Bangkok, Thailand.
- WinklerPrins, A.M.G.A. 1994. Soils Under Indigenous Agroforestry in the Amazon Estuary. *Transactions, Fifteenth World Congress of Soil Science*, J. D. Etchevers B., ed. pp. 291-292. Acapulco, Mexico.

Paper delivered as invited speaker:

- WinklerPrins, A.M.G.A. Sustainable Food Systems. Executive Forum, Federal Executive Institute, LDS 463, 01/20.
- WinklerPrins, A.M.G.A. Global Urban Agriculture: Convergence of Theory and Practice. Louisiana State University, Department of Geography and Anthropology, Pruitt Lecture, 04/19.
- WinklerPrins, A.M.G.A. Conceptualizing Urban Cultivation in the Global North and South. Temple University, Department of Geography and Urban Studies Speaker Series, 11/18.
- WinklerPrins, A.M.G.A. Global Urban Agriculture: Convergence of Theory and Practice. Penn State University, Department of Geography Speaker Series, 3/17.
- WinklerPrins, A.M.G.A. Urban Homegardens in the Rainforest: Plants and People in an Amazonian City. University of Leiden, Global Challenges Lecture series, 4/16
- WinklerPrins, A.M.G.A. Global Urban Agriculture: Convergence of Theory and Practice. University of Delaware, Department of Geography Speaker Series, 3/16.
- WinklerPrins, A.M.G.A. The Amazon: Cultural Parkland or Pristine Wilderness? Johns Hopkins University Odyssey Program, 10/15.
- WinklerPrins, A.M.G.A. Global Urban Agriculture: Convergence of Theory and Practice between North and South. University of Texas at Austin, Department of Geography and the Environment Colloquium Series, 9/15.
- WinklerPrins, A.M.G.A. Geographical Adventures in Nepal: Teaching about Climate Change Adaptation at the Front Lines, Society of Women Geographers, Washington, DC, 3/15.
- WinklerPrins, A.M.G.A. Amazonian Dark Earths and their Implications for the Past and Future of the Region. Department of Geography Colloquium Series, Syracuse University, 2/15.
- WinklerPrins, A.M.G.A. Anthropogenic Soils of the Amazon. Johns Hopkins University, Department of Geography and Environmental Engineering, Wolman Speaker, 4/14.
- WinklerPrins, A.M.G.A. Amazonian Dark Earths: Implications for Conservation and Development of the Region, Utah State University and Weber State University, Visiting Geographer, 11/13.
- WinklerPrins, A.M.G.A. Amazonian Dark Earths: Implications for Conservation and Development of the Region, Northern Michigan University, Visiting Geographer, 10/13.
- WinklerPrins, A.M.G.A. Anthropogenic Soils in the Amazon: Implications for the Region? Johns Hopkins University, Department of Earth and Planetary Science, 2/13.
- WinklerPrins, A.M.G.A. Black Earths: Conservation and Development in Amazonia. College of William and Mary, Reeves International Affairs Lecture Series, October 2012.

- WinklerPrins, A.M.G.A. 'Amazonian Dark Earths: Implications for the Region?' University of Richmond, Global Environment Speaker, March 2012.
- WinklerPrins, A.M.G.A. 'Urban Homegardens in the Rainforest: Women and the Circulation of Plants in an Amazon City' Women and Development Program and Department of Geography, Virginia Tech University, January 2012.
- WinklerPrins, A.M.G.A. 'Amazonian Dark Earths: Implications for the Region?' Mortara Center Lecture Series, Georgetown University, October 2011.
- WinklerPrins, A.M.G.A. 'Amazonian Dark Earths as Material Culture,' Department of Anthropology, St. Mary's College, St. Mary's City, Maryland, March 2011.
- WinklerPrins, A.M.G.A. 'Amazonian Dark Earths and their Implications for Conservation and Development of the Region,' Department of Geography, George Washington University, January 2011.
- WinklerPrins, A.M.G.A. 'Terra Queimada: Uma Contribuição para a Formação das Terras Pretas de Índio em Quintais Urbanos da Região de Santarém.' Seminário da Amazônia, Instituto Nacional de Pesquisas da Amazônia (INPA), Manaus, Amazonas, Brazil, May 2010 (in Portuguese).
- WinklerPrins, A.M.G.A. 'Soils and natural resource management in the historical ecology of the Brazilian Amazon,' Social, Behavioral, and Economic Sciences Directorate, National Science Foundation, brown bag, March 2010.

Other talks:

- WinklerPrins, A.M.G.A., "Os Solos do Itaquí," presentation to the communities of Aracampina and São Benedito, Pará, Brazil (in Portuguese). January, 2000.
- WinklerPrins, A.M.G.A., "Op Zoek Naar Hoger Land: Periodieke Migratie van de Lokale Bevolking langs de Beneden Loop van de Amazone Rivier," Societeit Wassenaar and Centro Cultural Portugal-Brasil-Holanda (in Dutch), April 2000.

Panels:

- Developing Broader Impacts for NSF Projects. Association of American Geographers meeting, Boston, April, 2017.
- Fostering Interdisciplinary Training Panel, Association of American Geographers meeting, San Francisco, March, 2016.
- How to get and stay funded at NSF: A discussion with former NSF program officers, Association of American Geographers meeting, San Francisco, March, 2016.
- Crafting a successful NSF proposal: A discussion with former NSF program officers, Association of American Geographers meeting, Chicago, IL, April, 2015.

Political Ecology and Social-Ecological Interactions of Food Production and Systems VI: Panel Discussion on Methodology and Research Practice, Association of American Geographers meeting, Chicago, IL, April, 2015.

Chairs Symposium - Innovations in Master's Programs, Association of American Geographers meeting, Tampa, April, 2014.

Career Planning for Graduate Students, AAG-EDGE (Enhancing Departmental Graduate Education) Panel, Association of American Geographers meeting, Boston, April, 2008.

Fresh Perspectives on Academic Careers in the Sciences, Participant, Graduate Women in Science (Mu Sigma Upsilon) Panel, MSU, November 2006.

Thirty Years of Development and Destruction in the Amazon, Co-organizer and participant, Association of American Geographers meeting, Denver, April, 2005.

Cultural and Political Ecology Roots and Retrospect I. Participant, Association of American Geographers meeting, Philadelphia, March, 2004.

Perspectives and Reflections on the Anthropogenic Amazon, Organizer, Association of American Geographers meeting, Los Angeles, March, 2002.

Workshops:

- Third International *Terra Preta* Workshop, Leticia, Colombia, Wageningen University, 5/13.
- Geography Faculty Development Alliance, Boulder, Colorado, 06/11, 6/12.
- Work/Life Balance workshop at the AAG East Lakes meeting, St. Catherines, Ont. 10/08.
- So you want to go to Graduate School in Geography? Department of Geography, Macalester College, St. Paul, MN, and Department of Geography University of Wisconsin-Eau Claire, Eau Claire, WI 10/08.

Teaching

Courses taught at Johns Hopkins University

AS 420.665 [270.301] Climate Change Adaptation in Developing Countries (grad and undergrad)

AS 420.668 [270.304] Sustainable Food Systems (F2F and online/grad and undergrad)

AS 420.688 Special Topics in International Environmental Sciences and Policy-Nepal

AS 420.800 Independent Research Project in Environmental Sciences

Courses taught at Michigan State University

Geo 151 Cultural Geography (An Introduction to Human Geography)

Geo 204 World Regional Geography (F2F and online)

Geo 335 Geography of Latin America and the Caribbean

Geo 410 Geography of Food and Agriculture

Geo 454 Geography of Environment and Development

Geo 850 Seminar in Regional Geography

Geo 871 Seminar on People-Environment Geography

Geo 886 Research Design in Geography

Study Abroad:

January 2015, Climate Change Adaptation in Nepal

May 2007, Environment and Development in the Brazilian Amazon.

December 2002, Horticulture in Chile.

Advising:

Ph.D. advisees (MSU-geography):

Bilal Butt (completed 2007, now faculty at the University of Michigan, SNRE)
 Courtney Gallaher (completed 2012, now faculty at Northern Illinois University)
 Gary Schnakenberg (completed 2013, now staff at Michigan State University)

Ph.D. committees (MSU-geography):

Steve Aldrich (completed 2009, now at Indiana State University)
 Eugenio Arima (completed 2005, now at the University of Texas-Austin)
 David Baylis (completed 2015, now at Delta State University)
 Joseph Hupy (completed 2005, now at the University of Wisconsin-Eau Claire)
 Iván Ramírez (completed 2011, now at the New School for Social Research)

Ph.D. committees (non-geography)

Narciso Barrera-Bassols (ITC/ Univ. of Ghent soil science, completed 2003)
 Keri Brondo (MSU-anthropology, completed 2005)
 Paloma Carton de Grammont (UNAM-geography, Morelia, Mexico, completed 2012)
 Chris Stawski (MSU-anthropology, completed 2012)
 Stephanie White (MSU-CARRS, completed 2013)

Master's advisees (MSU-geography):

Meleia Egger (MA, completed 2007)
 Jess Kidder (MA, completed 2006)
 Trilby MacDonald (MA, completed 2010)

Master's committees (MSU-geography):

Steve Aldrich (MA, completed 2004)
 David Baylis (MS, completed 2009)
 Bilal Butt (MA, completed 2003)
 Joel Gruley (MA, completed 2008)
 Jordan Howell (MS, completed 2010)
 Tim Lauxmann (MA, completed 2002)
 Meg Reed (MS, completed 2011)
 Nathan Zukas (MS, completed 2009)

Master's committees (non-geography):

Marina Pinheiro Klüppel (MS, INPA, Manaus, Brazil, completed 2004)
 Lesley Atwood (MS, MSU-CARRS, completed 2010)

Outside reader:

Christian Abizaid, Ph.D. dissertation, Department of Geography, McGill University, Canada, 1/07.
 Thi Ngan Ha Huynh, Ph.D. dissertation, School of Environmental and Rural Science, University of New England, Australia, 7/20.

Service:

International

Member, CLAG Book Series Editorial Board, Conference of Latin Americanist Geographers, September 2015-2016.

Associate Editor, SOIL (EGU Journal), July 2013-2016.

Member, Board of Directors, Community Systems Foundation (CSF), 2008-2016.

Member, Scientific Team, International Biochar Initiative, 2010

Co-Convenor (with W. Woods), International Union of Soil Scientists (IUSS) meeting, special symposium, 'The Godfather of *Terra Preta* and the Father of *Terra Preta Nova*: A Symposium in honor of Wim Sombroek, Philadelphia, 07/06.

Co-Convenor, (with N. Barrera-Bassols), Conference of Latin Americanist Geographers (CLAG) meeting, Morelia, Mexico, 10/05.

Member, IGU Geoparks Commission, 2004-2010.

Chair, Board of Directors, Conference of Latin Americanist Geographers (CLAG), 6/06-08.

Vice-Chair, Board of Directors, Conference of Latin Americanist Geographers (CLAG), 7/04-06.

Member, Board of Directors, Conference of Latin Americanist Geographers (CLAG), 7/02-04.

Alternate, Pan-American Institute of Geography and History (PAIGH), July 2002 –2006.

National

Chair, American Geographical Society Publications Committee, 2016-2018; 2020-present.

Councilor, American Geographical Society, 2014-present.

Founding Editor, *FOCUS on Geography*, digital version, 2016.

Member, Association of Environmental Science and Studies, Program and Local Arrangements Committees, 2016 annual meeting, Washington, DC.

Member, Student Award and Scholarship Committee, Association of American Geographers, 2015-2016.

Member, American Geographical Society, Publication Committee, 2015-2016.

Member, American Geographical Society, Awards Committee, 2014-2016.

Member, Fulbright IIE Review Panel for Brazil, 2013.

Member, American Geographical Society, Wrigley-Fairchild Prize selection committee, 2011-2012.

Councilor, Association of American Geographers, East Lakes Division, 2009-2012.

Chair, Association of American Geographers Publications Committee, 2010-2012.

Member, Committee on the Status of Women in Geography, Association of American Geographers, 2009-2010.

Panelist, National Science Foundation, Geography and Regional Science Program (Senior Panel); Geography and Spatial Sciences Program (DDR Panel); Coupled Natural and Human Systems Program (Exploratory Grant Panel).

Member, Editorial Board, *Annals of the AAG*, January 2008-2012.

Chair, Cultural and Political Ecology Specialty Group, Association of American Geographers, 2006 – 2008.

Advisor, Association of American Geographers Enhancing Departments and Graduate Education (EDGE) Project 2005 – 2008.

Member, Soil Science Society of America's (SSSA) Council on History, Philosophy, and Sociology of Soil Science, 2003 – 2006.
